Prelude

Welcome

Call to Worship

Before I spoke a word, You were singing over me

**There is one body but it has many parts**

Before I took a breath, You breathed Your life into me

**All its parts make up one body. It is the same with Christ. We were all baptized by one Holy Spirit. And so we are formed into one body.**

When I was Your foe, still Your love fought for me

**It did not matter that we were Jews or Gentiles, slaves or free people.**

When I felt no worth, You paid it all for me

**So the body is not made up of just one part. If one part suffers, every part suffers with it. If one part is honored, each part shares its joy.**

The overwhelming, never-ending, reckless love of God chases me down

**God has put together all the parts of the body.**

***You are the body of Christ.***
